

Goddards QS LLP

Quality Policy

08 March 2019

Goddards QS LLP is a provider of specialised Quantity Surveying Services to the Building Industry. We are a well-established business with a reputation built on quality of service and reliability. We offer first class personal services, which are provided to agreed time scales.

Our clients and their goodwill form the nucleus of our business, and it is our policy to continually improve the services we offer.

Our goal, therefore, is to create an environment in which every employee is fully committed to the highest standard of personal quality, and that all the services supplied by Goddards shall be fully capable of meeting all the client's requirements.

The overall requirements of Goddards' Quality Management System are in accordance with ISO9001:2015. The Senior Partner will review this system annually in order that its effectiveness may be continually improved.

Our aims and goals are contained in our Business Plan and Quality Management System. These are measurable objectives, which are communicated to the staff via regular briefing meetings.

Our flexibility and skills have produced confidence within our clients. Repeat business is a key aspect of our trading. We are always looking for ways to improve and develop our services.

The Senior Partner will review this policy on an annual basis to ensure that it continues to reflect the aims and objectives of the company.
